EDUCATION

MKSSS's Cummins College of Engineering for Women, Pune

2024 - 2027

Bachelor of Engineering in Computer Science (9.2)

Pune

Government Polytechnic, Karad

2021 - 2024

Diploma in Computer Engineering (94.74)

Karad

Indira Kanya Prashala, Masur

2021

Secondary School Certificate (98.80)

Masur

EXPERIENCE

Happy Visitors Dot Com

2023

Industrial Training

Kolhapur

- Completed a 6-week full-time industrial training program focused on **Advanced trends in web development**, gaining practical knowledge in modern web technologies.
- Gained in-depth knowledge of web technologies like HTML and CSS, and acquired skills in hosting websites on servers, purchasing domains, and creating business accounts.

PROJECTS

Health Care Application / *Java, XML, SQLite Database* | [Github](#)

- Enables doctor discovery, appointment booking, and emergency remedies within the app.
- Uses Location-Based Services to suggest nearby hospitals, pharmacies in real time.
- Users can scan and identify medicines instantly by uploading a photo, receiving detailed name and usage information

Library Management System / *Java, SQL* | [Github](#)

- Developed a Java application using AWT and Swing packages to efficiently manage library records.
- Integrated MySQL server to store and maintain library data securely.
- Implemented features for inserting, updating, issuing, and returning book records seamlessly.

Handwriting Machine / *Arduino UNO, G-Code Generator*

- Designed and built a handwriting machine using the Arduino UNO board to write or draw on paper.
- Converted human-formatted text to G-Code using G-Code Generator and Inkscape for accurate writing on paper.

TECHNICAL SKILLS

Languages: Java, C, HTML/CSS, SQL, C++, Python

Developer Tools: VS Code, Eclipse, Android Studio

Relevant Coursework: Data Structure and Algorithms, DBMS, Object Oriented Programming, Operating System (Basic)

Technologies/Frameworks: MySQL, Android (Java)(Basic).

CODING PROFILES

[LeetCode](#)

[Hackerrank](#)

[GeeksforGeeks](#)

ACHIEVEMENTS

- Upcoming **Summer Intern (2025) at Cisco** Under CWIP Internship program.
- **Solved 150+ Problems** across various platforms (**LeetCode, CodeChef, Hackerrank, GeeksforGeeks**).
- Secured **2nd rank** in **IEEE MMCOE Ideathon**
- Achieved **1st position in the Avishkar Coding Competition** organized by the Government College of Engineering, Karad.
- Secured **2nd position in the Let Us C competition** held at Rajarambapu Institute of Technology.
- Clinched **1st Position in the C-Quizard Competition** held at Government Polytechnic, Karad.
- Secured **state rank 276** in Diploma Examination out of 49K+ Students.
